House Rules
Arverne by the Sea, HOA V, the Dunes:
Rev. 2/2023

1) Community Wellness
   a) Excessive Noise: Please be mindful of NYC Quiet hours, specified in Law 113 that neighbors in our community are bound to *quiet hours from 10 pm until 7:00 am*. This also includes having pets making loud noises longer than 5 minutes at a time.
   b) Any garbage put out for collection must be in black garbage bags or garbage secure bins.
   c) All cardboard boxes must be secured together by either being tied, taped or bagged.
   d) Any garbage, or recycle missed by sanitation must be removed from the common area within twenty-four hours of missed sanitation collection.
   e) Garbage is to be put curbside after 8 pm on Tuesdays, and garbage and recycling after 8 pm on Fridays.
      i) **Garbage should not sit on the grass, but rather on the street in front of the curb or on the concrete curb.**
   f) **Pet owners** must pick up and dispose of pet waste in public space as well as your own yard, keep pets on leashes when outside, and to keep pet noise at a minimum.
   g) Bicycles should not be attached to the trees, light poles or on any community grounds at any time.
   h) Seasonal lights may be put up for the season, but must be removed at the end of the season.
   i) Damaged flags must be replaced or removed.
2) Traffic and Safety
   a) Traffic and Safety Committee advises that parking anywhere in the Dunes, including in the parking lots or on the streets of the Dunes (*including in front of your own driveway*) requires a valid Dunes parking tag. Temporary permits are available for guests; as per 'Dunes Parking Guide', please submit your requests for these temporary tags to the Dunes website (https://www.ABTSDunes.com) **at least two weeks in advance** to allow ample time for all requests to be fairly considered and for the tags to be distributed to you in time.
   b) All parking regulations must be followed https://www.abtsdunes.com/documents-1/
   c) Flame Grilling or any open flame on the deck or balcony are strictly prohibited.
   d) Due to the proximity of homes, open flame fire pits are restricted in the community, unless fire pit is 25 feet away from nearest building opening, i.e. windows, doors, and 10 feet away from nearest combustible material, as per FDNY fire code 307.7.2[i]
3) Architectural
   a) Architectural changes require an approved application prior to making any changes. The application can be found on the Dunes Website (https://www.abtsdunes.com/documents-1/).

b) Any exposed wiring installed must be white and must follow all trim lines and/or run along siding lines
c) Any installed conduit must follow trim lines of the homes, and contain minimal corners
d) Replacement of porch lights must be white
e) Only black on black solar panels are currently approved
f) Any fogged or damaged windows/screens/doors must be replaced or repaired
g) The following are accepted colors:
    i) Garage/Trim Door:
        (1) Sherwin-Williams Extra White Exterior rain refresh #SW7006
    ii) Door Colors:
        (1) Sherwin-Williams Ryegrass - #SW6423
        (2) Sherwin-Williams Restful - #SW6458
        (3) Sherwin-Williams Have - #SW6437

4) Gardening & Yard
    a) Any trees, bushes or hedges shall not exceed the first floor of the home
    b) Trees, bushes or hedges must be maintained on regular basis
        i) Dead branches must trimmed and pruned
        ii) Diseased plants must be regularly treated to prevent the spread
        iii) Any foliage/branches intruding property line must have neighbor consent or must be trimmed
    c) Weeds and grass shall be kept no more than four inches in height
    d) No more than sixty percent of the yard shall be covered in vegetation more than four feet high
    e) Any trellis created for vine based plants:
        i) Shall not exceed six feet in height
        ii) Shall cover no more than fifty percent of the yard
        iii) Must be white in color to match the existing fencing
    f) Any tent or canopy that is erected must be taken down within 72 hours.
