Good morning,
I called 516-745-0150 (Wen management) and spoke with Ms.Dasilva. She said that "6315 Ocean Ave N" will not get the parking tags since their Account has balance.

Good afternoon,
We disagree with this unfair, unbelievable, unacceptable "Balance is $2,300" .
We pay the management fee $ 192 every month.

hi, HOA, and its board members,

yes, I have been waiting for your feedback over three weeks. But you just refused to answer our questions and denied to do your job to serve us as a house owner, and we paid for the service fee $195 / monthly. what you did totally against by-law and New York's consumer laws.

Yes, you just discriminated against us as a house holder all the time.

Last years, I requested the meeting appointment three times with hoa board members for the violation that HOA claimed. I met the requirements, but you still charged me illegally and violated your by-law for something totally didn't exist and fake claimed or fake violation . This was a great race discrimination. This was a crime.

I called the police for the attacked events from my neighborhood who cut and destroyed my backyard property three times during the year, and I was told that HOA should manage the issues. I emailed your HOA board members and JeanMarin, but you just ignored me and refused to service me. This is a great race discrimination. This is a crime. I lost protection and was discrimination all the time living in this no hope community.

Sincerely!

hi,

JeanMarie, please help me set up an important appointment to meet with all the Board members for the illegal fine and discrimination issues for the coming weekend or next week days. This is a very important issue, and they cannot refuse because I paid for the HOA maintenance fee and I am the house owner and my rights are protected by laws.

Last years board members refused to meet me three times, but Blinda White came and proved what I did. She said I was fine without any violation. But Casper and Qin refused to come but supported the charge. If they don't come and they refuse to do the job for HOA, how do they know what they are talking about and serve all the house owners. This is not right and it just broke the by-law and New York laws protections for the houses owners.

Casper and Qin need to resign if you cannot do your job.

How could I be charged for the un-existing violations? This is very shameful for what they acted as a public server by votes.

I just posted videos to show you how HOA pointed the fingers at me for the wrong items and fake violations but the true discriminations every day and every year.

hi, all:

Today it is 5/6/2024,

JeanMarie and HOA board members still refuse to set up the appointment for the meeting with me.

Now I requested the appointment for the meeting with the HOA board member for the second time.

But this year this time, today 5/6/2024 HOA removed the baby sunflowers, you did the service this time, but you didn't do the service that I paid before.

Why???? For so many years, you did nothing to service me. It is not my job to inform you to do or act on my service that I paid for your HOA.

It is terrible that you used HOA as a tool to fine me with fake violations for your failure of service that I paid for.

Shame on you. Looking back at your records, you made the fake violations every single year to fine me for the front door common area, "your sunflowers are too high. it is violated the by-law"

This is the fact that sunflowers and plants come out naturally and I did nothing with it. It is common sense and everyone knows it. If HOA didn't like the plants or flowers in the public common area, This is always HOA's job to fix or remove it to meet the by-law's requirements for the common area issues because we paid for the service. House Owners are not responsible for how the plants and flowers look in the common area and we did nothing with it.. It is very wrong for what you did to me.

In addition, 80% of plants died over 4 or 5 years in the common area, and your HOA People pretended to be superstars(all blind) ignored dead plants only and able to see the sun flowers year after year, and especially created the fake violation to fine me year by year. Last year, I called Belinda White and told her the problems. Eventually, HOA removed the dead plants and replanted the new plants in the fall last year, 2023. From here, we can see the great terrible discriminations and treatments from HOA that I have to face in my daily life all the time and non stop because I am a house owner and live here. I had all the videos and pictures to prove what I stated.

How could you use HOA as your discominiation tool to hate your neighborhood, me and my families but we still paid for your HOA?

Your discrimination with fake violations to me as a homeowner totally violated American civil laws and NY HOA laws.

HOA made things upside down, and it is terrible.

Sincerely!
