Dear Blinda White:

Actually, Oct 1, 2023 is Holiday, Sunday, JeanMarie's office is off by the time. Therefore, I decided to take photo and emailed to Jeanmarie On Monday on the images, you will see all the sunflowers were cut off and moved and cleaned.

Then tell me how someone found any pieces of food on my yard by the day of Oct1, 2023. This is a big fault. Please show me the picture of my yard, and prove it. On the day of Oct, 2023, HOA charged me another $600 in a day.

Casper said that my yard was full of food anywhere. This is another big fault. Show me the pictures and prove it.

Now I have my pictures to prove what I said, and the photos names show its day I took. I took my photo of my yard at Monday, because 10/2/2023, Monday, JeanMarie's office open and I emailed to JeanMarie.

Don't you see it? All the pictures had days on their names.

In addition, view back the very last photo, you can see that my common area the plants died but HOA never care and did anything to fix it for the last 3 years. Finally, HOA replaced the new plants in 2024. This is what they did to me and target at me. This is a discrimination. I have more pictures and videos to prove what HOA did to me.

How could they discriminate me like that way?

sad,

Sincerely!

Further more,

I cut all my plants and moved and clean then out by 9/30/2025, with no delay and I told JeanMarie about it.

Also, I asked HOA vise president, Blinda White to check it out. This was the Saturday and a raining day. Thank you, Blinda white, she just came back home from the airport in the later afternoon. She did a great job to service the community. She said, I did a great job.

I continued to rearrange my yard until I fix everything by this night. How could them continue to insult me by no fact, or fake claims against the facts.

Sincerely!

Furthermore,

I cut all my plants and moved and clean then out by 9/30/2025, with no delay and I told JeanMarie about it.

Also, I asked HOA vice president, Blinda White to check it out. This was the Saturday and a raining day. Thank you, Blinda white, she just came back home from the airport in the later afternoon, and she still had a visit my back yard for the confirm. She did a great job to service the community. She said, I did a great job, and then, she left with her dog.

I continued to rearrange my yard until I fix everything by 9/30/2025. How could HOA continue to insult me by no fact, or fake claims against the facts. HOA fined me $600 for the day of Oct 1, 2023 for the fake issue. This was very wrong because I fixed every single thing by the day of September 30. and Blinda White proved it. If you believe you can do it, please show me evidences and prove it. all my photos of my yard could prove me without any backyard food scraps issue.

Sincerely!
